This is great and thank you again, Eric. I also I did just get an FTP link and downloaded NG's Feb 1999 Decommissioning Report on Van De Graaff Accelerator Facility & Other Laboratory Rooms in Building 26. We'll look at the documents for our Thu call.

Lorenzo,

Attached is the 2016 report from Grumman outlining their radiological activities at the Bethpage Operations.

You will be getting a link to the decommissioning report of the Van De Graaff Accelerator and other labs. I have also attached a March 1999 letter from NYSDOH releasing the subject areas of the decommissioning report from radiological control.

Eric
